EDUCATION

BTech - Computer Science and Artificial Intelligence, Plaksha University	8.58	*2027*
12th - Jawahar Navodaya Vidyalaya Ahmednagar	96.4%	*2021*
10th - Jawahar Navodaya Vidyalaya Ahmednagar	96.2%	*2019*

PROJECTS

NavBot | TypeScript, React, Node.js, Express, PostgreSQL, Pinecone, Docker *Jan 2026 - Present*

- Built a **full-stack SaaS** that adds a **site-grounded AI chatbot** to any website with one script tag, as a **TypeScript monorepo** with a **React** dashboard, **Node.js/Express REST APIs**, **PostgreSQL** & **OAuth**.
- Engineered a **Playwright crawler** with cron-based incremental re-indexing into **Pinecone** and an **agentic RAG pipeline** (**query planning, reranking, streaming**) scoring **4.8/5 groundedness** on **100 eval queries**.

Flagzen | React, Node.js, Express, MongoDB, JWT, Razorpay, Three.js *Nov 2025 - Oct 2026*

- Built a **full-stack marketplace** for **custom-branded merch** where **users can customise the products** for their brands and sellers receive print-ready files with every order.
- Developed an **in-browser design studio** (**Konva, Three.js**) that **suggests layouts** from an uploaded logo, **previews products in 3D**.
- Engineered the **MERN backend** with **REST APIs**, **JWT/Google OAuth**, **role-based access for customers, sellers and admins**, and **Razorpay payments** with **HMAC-verified webhooks** and **auto-refunds.**

Interview.ai | React, Python, FastAPI, Supabase, ChromaDB, Docker *Sep 2025 - Sep 2026*

- Built a **full-stack interview-prep platform** that turns scattered **SDE prep into a self paced 1-6 month plan**: a **265-topic roadmap** (**DSA, System Design, OS, etc.**), along with a **course-notes library** of **138 PDFs** in **Supabase Storage** with an **AI tutor** that **answers questions from the open PDF**, **cites the exact spot**, and makes **flashcards** and **quizzes** for revision.
- Designed the **RAG pipeline** (**OCR for handwritten notes, ChromaDB embeddings, LLM answers**) on a **FastAPI backend** in **Docker**, **indexing each PDF** once into a library shared by all users.

Mobile-Hi-SAM | Python, PyTorch *Aug 2025 - Dec 2025*

- Built an **edge-deployable text segmentation model** by replacing **Hi-SAM's 650M-parameter encoder** with **MobileSAM's TinyViT**, plus a **custom adapter** and **word/line/paragraph decoder**.
- **Retained ~62% of Hi-SAM's panoptic quality** with only **12.6M parameters**, a **~98% smaller model**.

EXPERIENCE

Indian School of Business, Hyderabad - Research Intern *Jun 2026 - Jul 2026*

- Developed a **multi-dimensional climatic vulnerability model** for rural India using **geospatial**, **climate**, and **government survey** datasets, covering ~7,000 blocks under Prof. Ashwini Chhatre.
- Python, Google Earth Engine (GEE), Data Analysis

Reimagining Higher Education Foundation, Plaksha University - Intern *Oct 2024 – May 2025*

- **Coordinated high-stakes events** like Founders' Day and Foundation Day at Plaksha University & conducted campus tours for founders, prospective students, and visitors. Researched and managed prospect donors list to support **fundraising**.

SKILLS

- **Programming Languages**: C, C++, Python (PyTorch), SQL, JavaScript, TypeScript, HTML/CSS
- **Web and Backend:** React.js, Node.js, Express.js, FastAPI, REST APIs, JWT/OAuth
- **Data, AI & Infrastructure:** PostgreSQL, MongoDB, Supabase, Pinecone, ChromaDB, RAG, Docker, GitHub Actions, Git
- **Core CS:** Data Structures & Algorithms, OOP, Operating Systems, DBMS, Computer Networks

LEADERSHIP & ACHIEVEMENTS

- **Won 3rd place - SP Dutt Award for Innovation** for building a **soft robotic gripper** for **underwater manipulation**.
- Member of the **DS Brar Centre for Girls and Women in STEM (GWiST),** Plaksha University. Promote gender equity in STEM through technical workshops and mentorship initiatives.
- **Millennium Fellow 2024, MCN & United Nations:** Led a social impact project aligned with SDG 8: Decent Work and Economic Growth empowering rural and tribal communities toward sustainable livelihoods.
- **OxNet- Pembroke College, Oxford University (Sep 2020):** Selected for a competitive **English Language & Literature** program; enhanced analytical writing and critical thinking skills.
- **Vice Head Girl at Jawahar Navodaya Vidyalaya:** Successfully managed the boarding program, fostered a strong school community of **500 students** and ensured student safety and well-being.
- Competed in **National Inter-School Sports & Games** against participants from **600+ schools** across India.
